## **Kashi Vishnu Padham Temple — Muskoka**

Dear Devotees,

We are excited to announce our plan to build a temple on 14 acres of land in beautiful Muskoka. This sacred space will serve as a sanctuary for performing parihāra and will embody the holy essence of revered kṣetras such as **Rameswaram, Prayaga, Kashi, Gaya, and Badrinath**. The temple will also provide facilities for performing **thila homam** and **kṣetra pinda**. This temple aims to help people overcome inauspicious influences such as untimely death, pitru doshas incurred due to not performing proper rituals, sthri doshas, and other karmic debts.

To bring this divine vision to life, we need your support. The estimated cost to complete the temple is 6 million Canadian dollars. We humbly request your generous financial assistance to help us achieve this sacred and ambitious goal.

In this temple, we will perform rituals and poojas for **Mahavishnu, Kashi Vishwanathar, Kala Bhairava, Navagrahas, Saptarishi**, and many other Vaibhavas, providing prāyaścitta (penance) for all.

Join us in this auspicious endeavor to create a spiritual haven for all. We request all the devotees to send you contributions to [brampton.veda@gmail.com](mailto:brampton.veda@gmail.com) via **Interac**. Your contributions will help build a legacy of faith and devotion for generations to come.

With heartfelt gratitude,

P. Balakrishna Sastrigal
